Antonia Caicedo

## - EFFORTLESS LUXURY -

Texture is in vogue, and the new ANTONIA COLLECTION has plenty of it. With over 17 different finishes coming together in elegant harmony, in both case-goods and upholstery, Antonia stays true to her ethos of *effortless luxury*.

The new Antonia collection brings together the soft edges of the mid-century modern, with a bold Art Deco vibe for the modern contemporary life. With clean designs, a rich assortment of finishes, and the introduction of a new upholstery selection, one can truly grasp what an ANTONIA Lifestyle embodies.

—

Antonia is a well curated interior architect and designer. At her young age she has already participated, and executed several international projects in Paris, Miami, Houston and Bogotá among others.

Educated in Italy and America, she has a B.A. in interior design from the Istituto Europeo di Design in Milan, and a Masters in Interior Architecture from the Rhode Island School of Design in Providence. Thanks to her international outlook at an early age, and having worked in 3 continents, Antonia's work personifies the modern contemporary elegance, in a globalized world.

As a millennial herself, Antonia is among the leading breed of new talent that will set trends in interior design for time to come.
